Welcome to Ó Fiaich
Institute of FET (OFI).

OFI is one of the leading Further Education & Training colleges in the country and we pride ourselves on the dynamic, progressive and high-quality educational experience we provide to each of our learners.

OFI offers you, the prospective learner, access to a comprehensive range of academic and vocational programmes. We believe this provides you with the freedom to choose your own path in achieving your goals, whether that be directly into employment or through progression to Higher Education. We have excellent links with local and national industry sectors, providing you with the opportunity to gain invaluable work experience in these industries. Equally, if Higher Education is where you wish to go, as a learner of OFI you will benefit from many clear and direct pathways from OFI to Universities across Ireland, Europe, the UK and further afield.

OFI learners are individually supported by highly qualified staff who are trained and knowledgeable in a wide range of vocational fields. An exceptional resource and guidance team, bolstered by an academic support team, ensure our learner's success both during their time with us and into the future. Alongside professional development, OFI place equal emphasis on personal growth. As a result, we provide extensive extracurricular activities and support services enabling our learners to enhance the life-skills needed to succeed. We are fully committed to creating a safe, inclusive and welcoming environment for all learners to thrive.

We are extremely proud of our learners and their success, and we are delighted to see them achieve their goals. We are excited to welcome you to OFI and look forward to helping you in choosing your path, reaching your fullest potential and shaping your future.

Please don't hesitate to contact us if you have any questions or would like more information.

Ó FIAICH INSTITUTE PART TIME/EVENING CLASSES

OFI offers a wide range of evening classes from hobby type classes to fully certified courses.

Our teachers are highly qualified, enthusiastic and committed to providing a quality education for each and every learner that enrolls. If you are considering returning to education, up-skilling, sampling a new career area or interested in meeting people with similar interests; enrolling in a night class in Ó Fiaich Institute may be for you.

SAMPLE OF CERTIFIED AWARDS/MODULES

- QQI Business Administration - Level 5 & Level 6
- QQI Train the Trainer – Level 6
- QQI Nursing Studies – Level 5
- QQI Healthcare Support - Level 5 & Level 6
- QQI Early Childhood Care & Education - Level 5 & Level 6

All the above QQI modules are well recognised workplace qualifications. Continuing with a work theme there are a variety of professionally certified courses on offer including Basic Food Hygiene and People Moving & Handling.

Many people however opt to take a hobby class to learn a new language or skill. It is also a chance to meet new people. All participants receive a certification of completion.

SAMPLE OF HOBBY/SPECIAL INTEREST/SHORT COURSES

- Digital Photography
- Tai Chi
- Introduction to Solidworks
- Dress Making & Design
- Couch to 5K
- Interior Design
- Flower Arranging
- Pilates
- Art and Design
- Makeup
- Computer Applications
- Language Courses

INFORMATION & ENROLMENT EVENINGS

Information and enrolment evenings are held in early September/January. Both are advertised in local newspapers, on our website and on the Institute's social media pages. Students usually enrol online but they can also enrol for their chosen course at information and enrolment evenings. Advice on courses may be obtained at any of the information evenings or by contacting us at the details below.

INDUSTRY TRAINING

OFI also offer training solutions to local industry with programmes tailored to meet the needs of specific businesses. This training can be delivered on site or on the college campus with employees. Both certified and non-certified solutions can be developed to support staff in the workplace.

Additionally under the new Skills to Advance initiative launched in early 2019, training is now available for various groups in the Irish workforce, particularly those who need to upskill to advance their working lives and careers. This training supports small and medium-sized enterprises (SMEs) who need assistance to invest in and develop their workforce.

PROGRESSION

HOW TO APPLY

1

APPLY ONLINE

www.ofi.ie

Ensure you apply as soon as possible.

Online application process opens on 1st January.

2

INTERVIEW

Shortlisting process

Interviews are held for oversubscribed courses.

Interviews are held in March/May/August with places offered on a first come basis.

Places are offered based on interview performance and suitability for the course.

3

COLLEGE PLACE

Secure your place

You will be notified of your offer by email and post.

Confirm your place by paying your registration fee of €30.

OUR STUDENTS PROGRESS TO:

ENTRY REQUIREMENTS

All our Level 5 courses are open to school leavers over 17 years of age (Leaving Certificate/ Leaving Certificate Applied Students/A Levels/ GCSE or equivalent), QQI Level 4 graduates and mature applicants. A QQI Level 5 award is a prerequisite to access a Level 6 programme.

CERTIFICATION

The majority of programmes in OFI are certified by Quality & Qualifications Ireland (QQI) at Level 5 and Level 6 on the National Framework of Qualifications (NFQ). Some programmes are certified by other awarding bodies including; International Therapies Examining Council (ITEC), International Academy of Travel (IAT), CompTIA and City & Guilds.

Note: All programmes run subject to demand. Course content may vary subject to funding/ resources available. All information stated is correct at time of printing and subject to change.

FUNDING & FEES

PLC MAINTENANCE GRANT (SUSI)

SUSI grants are available to eligible students attending full-time approved courses at OFI. Please visit www.susi.ie for eligibility criteria.

BACK TO EDUCATION ALLOWANCE (BTEA)

BTEA allows qualifying persons getting certain social welfare payments to get a back to education payment while participating in approved full-time courses in further education.

SOLAS FUND FOR STUDENTS WITH DISABILITIES

Funding is available to support students with disabilities, learning difficulties, medical conditions and special needs attending further education courses. This fund is administered by SOLAS and is disbursed on the basis of applications made by OFI on behalf of qualifying students.

REACH FUND

The aim of the Reach fund (formerly MAEDF) is to provide funding to support educationally disadvantaged learners in accessing and participating in community education. It aims to increase the participation of disadvantaged learners, particularly those who are undertaking literacy and skills programmes. The fund has a strong focus on building the digital infrastructure of community education providers, including providing devices and software, and increasing their capacity to deliver learning. This fund is allocated by SOLAS and administered by LMETB.

NEW LOW COURSE FEES FOR 2024

FEES

All courses now have a low course registration fee of €30. Make sure to confirm your place on a course by paying your registration fee.

STUDENT SUPPORTS

GUIDANCE & COUNSELLING SERVICE

Students in Ó Fiaich Institute can avail of confidential guidance and counselling supports. Our guidance counsellors are available for drop-in sessions or one to one meetings with students to assist with exploring career and educational choices, ensuring successful transition to higher education, employment or further training. With extensive knowledge of progression routes and university links, learners are well informed of all opportunities available for their future. Course progression talks and workshops provide hands-on support to students in completing CAO/UCAS/EU/Employment Applications.

PERSONAL ASSISTANTS TO PLC STUDENTS

A team of Personal Assistants (PAs) are on hand to work with qualifying students individually to ensure they reach their full potential. Learner's individual needs are catered for on a full time in class basis or as one to one supports or occasional drop in sessions. Our friendly team of P.A's are here to help!

DISABILITY SERVICES

Ó Fiaich Institute is committed to supporting students; It is our priority to ensure accessibility to the campus and to support students in relation to their disability. It is our priority to ensure accessibility to the campus, information, guidance and learning. It is the student's responsibility to disclose their needs and provide supporting documentation to access supports.

For more information please contact Karen Cawley (E:kcawley.ofi@lmetb.ie).

STUDENT LEARNING HUB

The student learning hub is a facility open to students every day without appointment. Here learners can work on assignments, seek academic support or attend workshops to facilitate their success.

LAPTOP LOAN SCHEME

All students can apply for the laptop loan scheme. This provides students with the use of a high specification device for the duration of the academic year for a very low refundable deposit. This scheme ensures students have access to a digital device and the opportunity for success.

ESOL SUPPORT

International students can benefit from ESOL classes to complement their learning. Depending on the level of proficiency, students can engage in intensive, small group or individual classes. Ó Fiaich Institute is an inclusive environment that strives to provide a learning opportunity for all.

PROSPECTIVE STUDENTS

OFI welcomes applications from all prospective students. From students completing the Leaving Certificate (including LCVP & LCA) or equivalent (A Levels, GCSE's, etc.) to mature learners returning to education. We also encourage QQI Level 4 graduates or those currently unemployed to further their career prospects through a programme of study with us.

MATURE STUDENTS

Returning to education might seem daunting, but we offer specific support to those who have had a break from education. Education is for everyone – regardless of age.

Every year thousands of adults take the opportunity to develop themselves, and their careers.

There are many reasons why you might want to return to education. You might be looking to improve your job prospects, be considering a career change or you might simply have an interest in a certain field. Whatever your reasons for studying, we will provide you with all the supports needed to transition to college life and be successful.

SCHOOL LEAVERS

Whether you have attended school in Ireland, Northern Ireland, Great Britain or further afield, we have a programme to suit your needs. We have a wide range of suitable programmes with internationally recognised certification that will enhance both your career and further education possibilities.

INTERNATIONAL STUDENTS

Ó Fiaich Institute welcomes applications from eligible international students. Help and advice is available for international students at every step of the application process and continues after enrolment onto your chosen programme.

ERASMUS+

"During this period, I got the experience of a lifetime and made lifelong friends. I learnt a lot of new skills - I got to gain confidence by living abroad - basically by myself - going to and from work, by myself."

Leanne Byrne

Graduate | Level 5 Childcare and Erasmus+ participant

 **léargas**

OFI are very proud to offer the Erasmus+ Programme. The Erasmus+ Programme offers our learners the opportunity to experience working abroad as part of their chosen PLC course. This programme gives our learners the chance to experience new horizons, develop transferable life skills and enhance self-esteem and confidence. There are myriad benefits to our Erasmus+ Programme:

- **Work Experience:** Learners get the opportunity to experience working in a different country. While on Erasmus, learners gain work experience from Monday to Friday. Placements our learners have experienced include working in hospitals, veterinary services, science and research laboratories, hairdressing, human resources among many more. This leads to an improvement in language skills, team-working skills and increased employment opportunities on arrival home!
- **Cultural Experiences:** It's not all work! Erasmus+ also ensures that learners have full exposure to many social and cultural outings. Erasmus+ participants can look forward to flamenco exhibitions, boat trips, day trips to local historical cities among other outings!
- **Independent Living:** Erasmus+ can be the first chance OFI learners have to experience living, cooking, and cleaning for themselves. Overall, this leads to a growth in confidence, self-reliance, and independence.

Placements take place usually in springtime in your academic year. Successful applicants qualify for a grant towards the cost of travel, accommodation and living expenses.

CLUBS & SOCIETIES

At OFI, we pride ourselves on having a thriving social element for students to enjoy. As with our courses, our social clubs represent a wide range of interests and talents.

Clubs on offer include Book Club, Film Club, Make-Up Club, Games Club, Dungeons and Dragons Club, Men's and Women's Soccer Club, Men's and Women's GAA Club, Basketball Club, Well Being Club, Debate Club, Board Games Club and Skin and Coffee Club. These clubs offer learners a means of making friends with people who share similar interests.

They also provide an additional social outlet for learners during lunch break or after school.

Our Societies include LGBTQIA+ Society, Mature Student Society and International Student Society. These are hugely popular and allow learners to meet others who may share the same background or experiences as them!

Organised by our OFI Student Union, various social events also ensure that students can meet learners outside of their course. Marked on our social calendar are jersey days, Halloween Activity Week, Movember, Christmas Jumper Days, Wellbeing Days, Race Nights among others!

**WE LOOK FORWARD
TO MEETING YOU!**

SPORTS SCHOLARSHIP PROGRAMME

Ó Fiaich Institute is here to Support Your Academic & Sporting Success The Ó Fiaich Institute Sports Scholarship Programme supports high performance sports enthusiasts who have shown talent and commitment and who wish to balance an academic course and their sporting commitments. This Sports Scholarships Programme shows our commitment to facilitate the development of sporting excellence.

THE BENEFITS

- Presentation of our Sports Scholarship Award.
- Course Fees paid.
- Financial contribution.
- Ó Fiaich Institute branded sportswear.
- An academic mentor to assist with balancing your studies with your training schedule.

HOW TO APPLY

Students who wish to be considered for a Sports Scholarship for the 2024-2025 academic year must complete an online Application Form in October 2024.

Application forms will be available on our ofi.ie website.

For any further information please contact Martin Corey on the email below.

mcorey.ofi@lmetb.ie

ALL SPORTS WELCOME

This programme awards sports scholarships to students across an unlimited range of sports including, Gaelic Football, Soccer, Basketball, Hurling, Camogie, Handball, Boxing, MMA, Rugby, Equestrian, Athletics, Swimming etc.

All suggestions are taken on board. This list is not exclusive.

Eligibility Criteria

- Must meet the entry requirements for their chosen course.
- Students who are currently competing at a high level in their chosen sport and who intend on pursuing a full-time course at Ó Fiaich Institute
- Students who can demonstrate good leadership qualities and are prepared to get actively involved in our Students Union sports initiatives.

Graduates progress to employment in various areas including:

Beauty Therapy Salons | Pharmacies | Hotels & Leisure Centres | Spas | Cruise Liners | Health Centres & Health Farms | Beauty Consultation | Skin Clinics

PROGRESSION

Learners can progress to study various related courses in OFI including Beauty Therapy, Hairdressing, Holistic Health and Wellbeing or Advanced Beauty Therapy. Learners may also progress to specialist programmes to gain a tutor qualification in this area in a variety of colleges in Ireland and the UK.

The Makeup industry is one of the biggest industries in the world. Makeup makes you look good but good makeup makes money. Brands like Chanel, L'Oreal, MAC make millions of dollars every year from the sale of cosmetics. According to a recent study, women spend approximately 15,000 euro in their lifetime on cosmetics.

PROGRESSION TO DEGREES

Learners can progress to study various related courses in OFI including Makeup Artistry, Hairdressing, Holistic Health and Wellbeing or Advanced Beauty Therapy. Learners may also progress to specialist programmes to gain a tutor qualification in this area in a variety of colleges in Ireland and the UK.

Did you know?

The beauty industry is known to be resistant to economic downturns - even faring well during the most recent recession in 2008. Though consumers tend to be more price conscious during those times, they do not stop spending. So, in today's environment of rising per capita incomes the beauty business is booming.

PROFESSIONAL HAIRDRESSING

5M3351 QQI LEVEL 5 HAIRDRESSING

This course is designed to facilitate those wishing to pursue a career in the hairdressing industry. Kick-start your career in the hair and beauty industry and gain the skills required to in run and manage a working salon.

As a self-employed
Therapist you can earn

Graduates can progress to a variety of degree programmes including:

- **TU Dublin** | TU838 BSc (Hons) Sustainable Timber Technology | Level 8
- **ATU Sligo** | AU837 Advanced Wood and Sustainable Building Technology
- **ATU Connemara** | AU682 Furniture Making and Architectural Woodworking
- **ATU Connemara** | AU683 Furniture Design Making and Technology
- **ATU Connemara** | AU681 Furniture Design and Manufacture | Level 7
- **ATU Connemara** | AU583 Furniture Design, Making and Technology

PRE-UNIVERSITY

PRE-UNIVERSITY MUSIC & SOUND

5M2011 QQI LEVEL 5 MUSIC

The Music Performance & Production course has been designed to prepare learners for opportunities in the Music Industry. This is achieved by providing learners with essential music theory, an introduction to recording skills, music practice, event production and a broad insight into the Music Industry.

The average pay for a musician is **€58,690** per annum

Wages may be earned per hour or through royalties paid for composition or performance

COURSE CONTENT

- Music Industry Studies
- Music Theory and Practice
- Communications
- Work Experience
- Music Performance
- Event Production
- Irish Music
- Musicianship
- Music Technology

PROGRESSION TO DEGREES

Graduates can progress to a variety of degree programmes including:

- **DkIT** | Music | Level 8
- **DkIT** | Audio & Music Production | Level 8
- **DCU** | Jazz & Contemporary Music Performance | Level 8
- **Maynooth University** | Music | Level 8
- **TUD** | Music | Level 8

CAREER OPPORTUNITIES

Graduates progress to employment in various areas including:

Music Producer | Recording Engineer | Artist Manager | Tour Manager | Booking Agent | Music Publicist | Composer | Radio broadcaster/engineer | Podcaster | Music Arranger | Performer | Teacher |

PRE-UNIVERSITY TEACHING

5M3114 QQI LEVEL 5 IN GENERAL STUDIES

Pre-University Teaching lays the foundation for those who wish to progress to a career in education. Learners in the Pre-University Teaching programme will enhance their skills, knowledge and practical experience prior to progressing to higher education. This dynamic course provides progression opportunities to degree courses in various disciplines including teaching, arts and humanities.

86%

of last year's graduates progressed to a Level 8 degree

COURSE CONTENT

- Research and Study Skills
- Education and Training Concepts
- English Literature
- Law
- Journalism
- Psychology
- History
- Communications
- Work Experience

CAREER OPPORTUNITIES

Following the successful completion of the Pre-University Teaching programme, you may progress to a degree which can lead to a career in:

Post Primary Teaching | Further Education Teaching | Law | Counselling | Journalism | Education Consultant | Special Educational Needs Teaching | Psychology

PRE-UNIVERSITY NURSING STUDIES WITH MIDWIFERY

5M4349 QQI LEVEL 5 NURSING STUDIES

The Pre-University Nursing Studies with Midwifery programme is a one-year course for students wishing to train as nurses both here in Ireland and in the UK. Students can use this QQI Level 5 programme to gain entry to any of the 5 Nursing degree courses - General Nursing, Mental Health, Intellectual Disability Nursing, Midwifery or Children's Nursing. It provides a solid foundation in Nursing theory and practice and allows students to accurately assess their suitability for a career in nursing. Students will go on work experience in a hospital or nursing home where they will practice their skills. Applications are also invited from mature students wishing to pursue a career in nursing.

COURSE CONTENT

- Nursing Theory and Practice
- Care Provision and Practice
- Maternity Care Support
- Anatomy and Physiology
- Human Growth and Development
- Communications
- Work Experience
- Safety and Health at Work
- Infection Prevention and Control

Additional Certification:

- First Aid Responder
- Patient Moving and Handling
- Breakaway Technique
- Safeguarding Vulnerable Adults

CAREER OPPORTUNITIES

Graduates can progress to employment in various areas including a nursing home, healthcare agency, home help and hospitals as a qualified healthcare assistant after successfully completing this course.

The annual salary for nursing is

€31K - €50K per annum

PROGRESSION TO DEGREES

Graduates could progress to a higher education place in a level 8 nursing degree in Universities and Institutes of Technology around the country through the QQI entry system. Graduates can progress to a variety of degree programmes including:

- DkIT | General Nursing | Level 8
- DkIT | Midwifery | Level 8
- DkIT | Mental Health Nursing | Level 8
- AIT | General Nursing | Level 8
- DCU | General Nursing | Level 8
- DCU | Children's and General Nursing (Integrated) | Level 8
- UCD | General Nursing | Level 8
- UCAS | Nursing Degree throughout the UK | Level 8
- TCD | Intellectual Disability Nursing
- SETU | Intellectual Disability Nursing

PRE-UNIVERSITY PHYSIOTHERAPY

5M5146 QQI LEVEL 5 IN SPORTS, RECREATION & EXERCISE

Pre-University Physiotherapy would be ideal for any learners wishing to advance their education and progress to a career in physiotherapy. Learners develop the skills needed for assessing and treating clients whose movement is restricted by injury, illness or disability. This course provides an excellent foundation in the fundamentals of physiotherapy and develops the necessary skills required to progress to higher education.

COURSE CONTENT

- Anatomy & Physiology for Sport
- Physiotherapy Assistant Practice
- Physiotherapy Assistant Theory
- Sport & Recreation Studies
- Customer Service
- Kinesiology
- Work Experience
- Exercise & Fitness
- Nutrition
- Sports Massage
- First Aid Responder
- ITEC Level 3 Diploma & Level 4 Certificate in Sports Massage Therapy

CAREER OPPORTUNITIES

Following the successful completion of the Pre-University Physiotherapy programme, you may progress to a degree which can lead to a career in:

Musculoskeletal Physiotherapy | Cardio Respiratory Physiotherapy | Sport Massage | Physiotherapy Lecturing | Acupuncture | Health Promotion | Sports Rehabilitation | Sports Physiologist | Osteopathy | Craniosacral Therapy

PROGRESSION TO DEGREES

Graduates can progress to a variety of degree programmes including:

- **AIT** | Athletic & Rehabilitation Therapy | Level 8
- **AIT** | Sports Science with Exercise Physiology | Level 8
- **DKIT** | Health and Physical Activity | Level 8
- Hanze University, Netherlands | Physiotherapy | Level 8
- **IT Carlow** | Sport Rehabilitation and Athletic Therapy | Level 8
- **Portobello Institute** | Sports Therapy | Level 8
- **Sheffield Hallam University** | Physiotherapy | Level 8 (UCAS Application)
- **University of Wolverhampton** | Physiotherapy | Level 8 (UCAS Application)
- **Fontys University, Netherlands** | Physiotherapy | Level 8

PRE-UNIVERSITY OCCUPATIONAL THERAPY

5M3782 QQI LEVEL 5 HEALTH SERVICE SKILLS

CERTIFICATE IN MOVING & HANDLING, INFECTION PREVENTION & CONTROL AND VULNERABLE ADULTS

This course is aimed at learners who love the challenge of problem solving and helping people in practical ways to complete Activities of Daily Living.
